The Fortnite Lobby Page

When you open Fortnite you will see something similar to this, The “Lobby” is where you see all your account details and access all the game. Next Click “Change” where shown by the speech bubble below...

Choosing & Finding Games

You can either “Browse” using the menu item at the top, or, you can click on “Island Code” that will open a new window so you can enter the Code for a Specific Island.

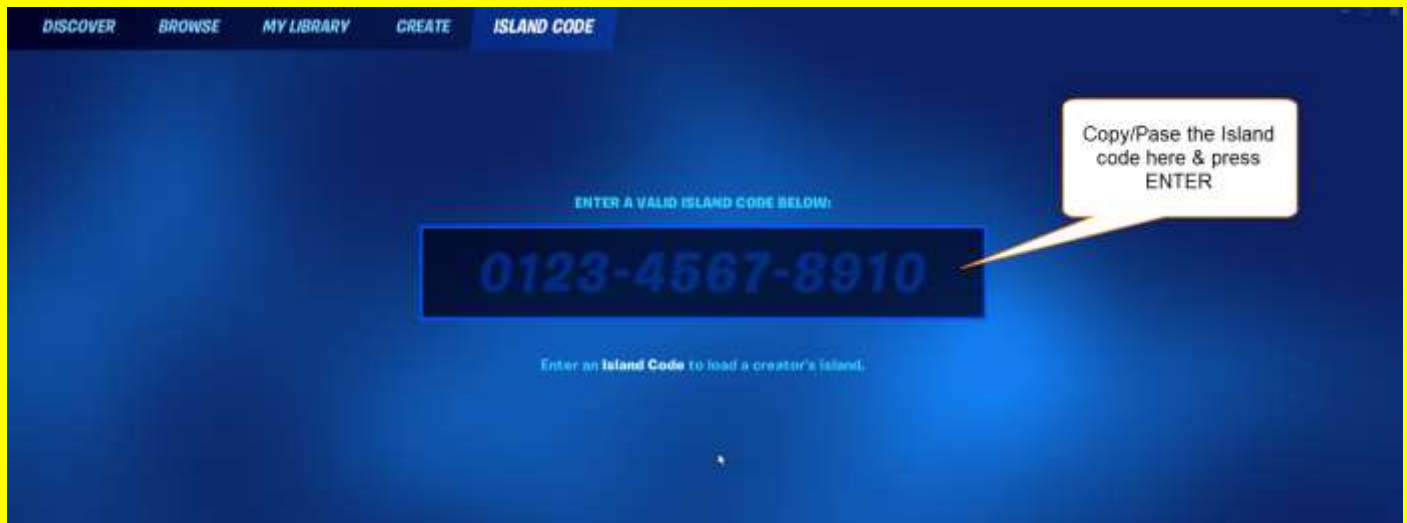

More information can be found at <http://TheCardanoVerse.com>

The Island Code Page

This is where you enter the code for The CardanoVerse:

CODE: 7485-6159-3098

After entering the code and press "ENTER" you will see a specific page for The CardanoVerse and the "PLAY" button.

Once you click "PLAY" you will see this next page...

More information can be found at <http://TheCardanoVerse.com>

Lobby Page showing the Game Choice

The 2 red arrows show the game choice and the next "PLAY" button...

Loading Page

Please be patient while it loads...
